Mark W. Woolf, M.D.

About me

- I have been married for 26 years with two grown sons who both graduated from TCU. Both of my sons played on the golf team for TCU. My oldest son Jordan is in the commercial real estate business and is the current club champion at Colonial Golf Course. My younger son Travis is currently pursuing a career in professional golf.
- I lead and organize medical mission work in Guatemala on an annual basis with Faith in Practice. We help those who cannot afford proper medical procedures by doing hip and knee replacement surgery, or whatever else they might need. <http://www.faithinpractice.org/>
